Certificate of Compliance

Certificate Number(s):
UL-US-2138215-3

Report Reference:
E76491-20210730

Issue Date:
2026-01-16

Issued to:

MERSEN FRANCE SB S A S
15 RUE DE VAUCANSON, ST BONNET DE MURE, 69720, FR

This certificate confirms that representative samples of:
JFHR2 - Special-purpose Fuses - Component

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

UL 248-1, 4th Ed., Issue Date: 2022-10-24
UL 248-13, Edition 3, Issue Date 2022-03-31

Additional Information:
See UL Product iQ® at https://iq.ulprospector.com for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.

David Piecuch
UL Mark Certification Program Manager
